Sector - 9,Ukkunagaram, Visakhapatnam -12

## **GREEN NEWS** **EVENTS UPDATE 2022-23**

**The Little Greens Club was instituted in the year 2007-08 to create awareness among the students about the need to conserve our natural resources and to focus on sustainable management of resources for the benefit of the future generation.**

**The little Greens club conducts various programs and involves the active participation of the members to motivate students to constantly think of protecting our environment in the day -to- day lives.**

**The following are the details of activities conducted during the month of July 2022:**

**MONTH : JULY**

### **VANAMAHOTSAVA CELEBRATIONS**

**Joining hands making a change  
Planting trees to save the earth  
As guardians of nature's birth-  
Sitting whilst in the shade of trees  
For the earth has music so sweet  
For those who madly listen to it!**

**Nature of man's future depends  
On the future of Mother Nature  
Taking a quite walk along with-  
Nurturing body, mind and soul  
For celebrating Van Mahotsav.**

## **Highlights:**

- **Day - 1: Inauguration of 'Classroom Plantation '**
- **Day - 2: Donation of medicinal plants by the students of class 1 10.**
- **Day - 3: Poetry writing and poster making competitions on " Plants- the green caps of the Earth".**

As a part of National tree plantation week and towards preservation of mother nature, Vanmahotsava was organised in the school premises by the Science teachers and various activities were planned for three days.

### **DAY 1: Classroom Plantation**

On 11.07.2022, Classroom plantation event was conducted, where in Green Club Members planted saplings in clay pots and handed them over to the teacher in every classroom.

The members of Little Green's Club were assigned with duty of keeping the plant in place with adequate sunlight.

The class monitors were given the duty to water plants everyday and the Litter management committee of the class would take care of the plant and would see to it that no water is stagnant around the plant.

*"Plant a seed and  
watch it grow"*

*An indoor gardening program that brings your classroom  
to life.*

**Preparation of clay pots by the members of Little Green's Club**

**Planting of saplings in the clay pots by the members of Little Green's Club**

**Handing over the plant to the classroom in the presence of teacher and students.**

**Students vowed to nurture the planted saplings.**

## DAY -2: Donation of Medicinal Plants by the students

*" For every human illness ,  
there exists a plant which is the cure"*

**On 12.07.2022, the students from class 1-10 donated medicinal plants, for the expansion and development of the School's Medicinal garden.**

**Principal Smt.P.S.Visalakshi and Headmistress Smt.T. Arundhati attended the donation programme and discussed the importance and medicinal use of the plants with the children.**

**DAY - 3 : "PLANTS - THE GREEN CAPS OF THE PLANET "**

**Poetry and poster making competitions.**

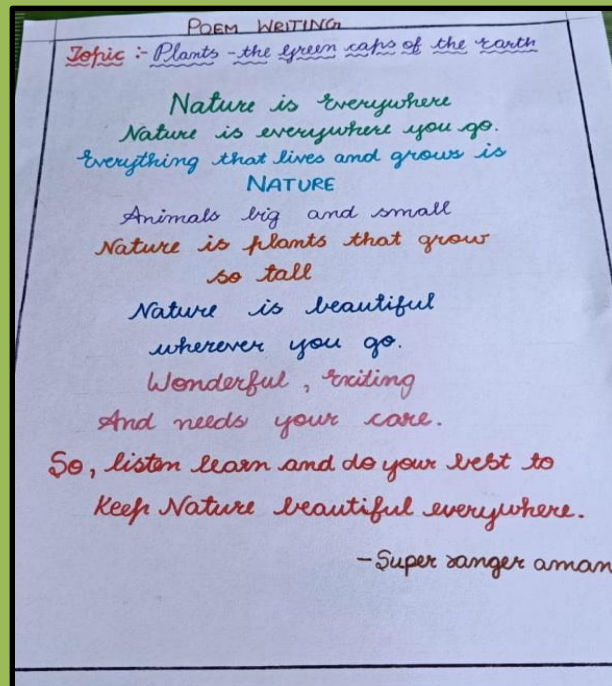

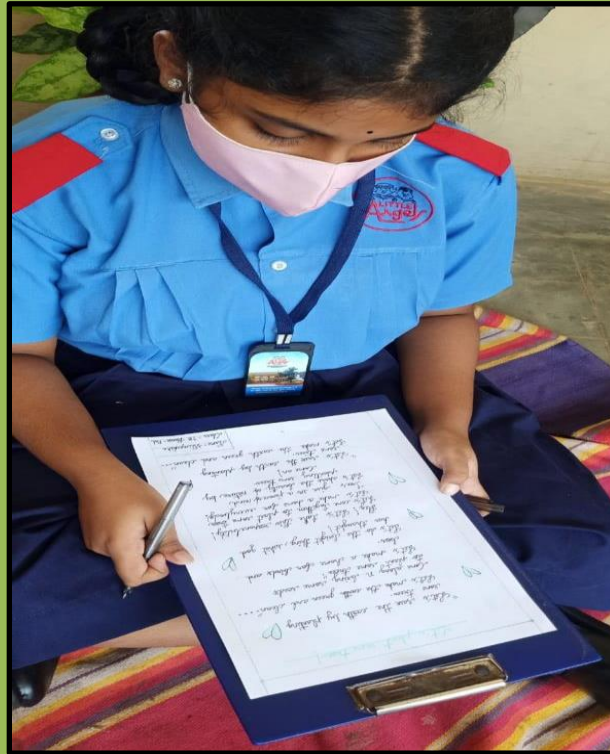

*" Your mind is a garden  
Your thoughts are the seeds"*

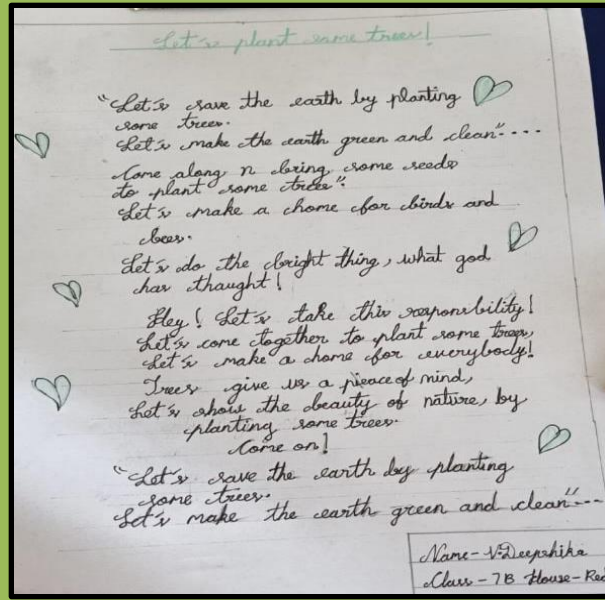

**Poster Making Competition**

## Nature Poetry writing competition

On 13.07.2022, Poster making and poetry competitions were conducted for students of classes 6-10. Students participated enthusiastically.

Vanmahotsava programme in the school helped in creating awareness amongst children about the harm that is caused by the cutting of the trees and this three day programme helped students to learn the importance of preserving the environment and their duty to protect the same.
