Sector - 9, Ukkunagaram

GREEN NEWS EVENTS UPDATE 2023-24

MONTH : JULY

VAN MAHOTSAV CELEBRATIONS

The Gift of the Tree

by Lenore Hetrick

Trees offer to those who love them
A message of peace and rest.
They bring the glow of the setting sun
As it vanishes in the west.
They tell of years that swiftly pass,
With little mark or scar.
They tell of evenings that know naught
But calm of evening star.
Trees offer to those who love them
Infinite wisdom and grace.
Underneath their boughs tree lovers
See eternity's face.

GREENING MOTHERLAND

Highlights:

- **Day - 1: Special Assembly programme**
- **Day - 2: Donation of tree saplings ,flowering plants and seasonals by the students of classes 2 - 10.**
- **Day - 3: Poetry writing competition - Rhyming with Nature.**
- **Poster making competition - Green Panorama**

The Little Greens Club was instituted in the year 2007-08 to create awareness among the students about the need to conserve our natural resources and to focus on sustainable management of resources for the benefit of the future generations.

The Little Greens Club conducts various programmes and involves the active participation of the members to motivate students to constantly think of protecting our environment in their day -to- day lives.

The following are the details of activities conducted during the month of July 2023 :

'Trees are the kindest things we grow'.

This has been rightly said as the needs of all the living beings are fulfilled by trees.

Little Angels School celebrated 'Vanmahotsava' in the first week of July by the members of Little Greens Club in the school premises, to make students aware of the importance of trees and also several issues caused by deforestation and depletion of trees. Various activities were planned for three days.

DAY 1 (5.07.23):

Special Assembly programme

The event started with a special assembly wherein the members of Little Greens Club highlighted the importance and emotional impact of trees. Students of all the classes took an oath along with the members of Little Greens Club to save trees for the better future.

“ECO-PLEDGE”
Stop Deforestation.. Start Afforestation..

PARIVARTHANA

Start Today.. Save Tomorrow..

The programme was followed by a conversation on the importance of plantation by the students of class 9.

DAY -2(6.07.23) : Donation of Plants by the students of classes 2-10

"A sapling for my school"

*Giving is not just about making a donation,
it is about making a difference.*

Little Angels School is very keen about outdoor learning. Students Planting Future is a programme that enables students to donate plants to the school garden to beautify and improve the ecological function of the school campus.

On 6.07.23, students of classes 2-10 donated tree saplings, flowering plants and seasonals for the school garden to raise these plants for the future and engage themselves in hands-on learning.

Principal Smt.P.S.Visalakshi and Headmistress Smt.T. Arundhati attended the donation programme and discussed the importance of donating and planting with the children.

Day -3 (10.07.23) : Poster making competition

Poetry writing competition

Rhyming with Nature

On 10.07.2023, Poster making and poetry competitions were conducted for students of classes 6-10.

Students of classes 6 and 7 participated enthusiastically in Poster making competition.

Students of classes 8 to 10 participated in poetry writing competition to develop their abilities in creative writing, critical thinking, and public speaking.

The curiosity to learn and the will to create a change was clearly seen in the efforts of the students. They also learned that Vanmahotsava is celebrated at the onset of the monsoon season because the saplings planted during this period have a greater chance of survival. These various activities helped to install the value of social responsibility in the students.
