**Commencement of Term-III/
Annual examinations (2023-24)**

**BEFORE ANYTHING ELSE, PREPARATION
IS THE KEY TO SUCCESS.**

Term-III/Annual Examinations commenced on 1st March, 2024 for the students of classes LKG to 9 and concluded on 22nd March, 2024.

Annual Result Day (2023-24)

“YOUR RESULTS REFLECT YOUR COMMITMENT TO EXCELLENCE. YOU HAVE PROVEN THAT PERSEVERANCE LEADS TO SUCCESS”.

The Annual Result Day was held on the 6th of April, 2024. Parent-Teacher Interaction was conducted and parents along with students attended the meeting to know about the performances of their children.

Parent-Teacher Interactions foster a supportive Environment for academic and personal growth. These meetings are an approach to discuss with an open mind and a willingness to collaborate for the success of the students. Parent-Teacher interactions are invaluable for understanding about the holistic development and providing support for the student.

Re-Opening of School

“IT’S A NEW CHAPTER IN OUR EDUCATIONAL JOURNEY. WELCOME BACK, EVERYONE, TO A YEAR FILLED WITH DISCOVERY AND ACHIEVEMENT”

After much anticipation, the school re-opened for the New Academic session on 15th April, 2024. As we reopen our school, let’s embrace the opportunity to reconnect, learn and grow together

The students entered the school with lot of enthusiasm, curiosity to embark on another journey of knowledge and growth.

To all our students, welcome back to the place where dreams take flight and futures are forged.

Earth Day

"EARTH REJOICES OUR WORDS, BREATHING AND
PEACEFUL STEPS. LET EVERY BREATH, EVERY
WORD AND EVERY STEP MAKE THE MOTHER EARTH
PROUD OF US.

Earth Day was celebrated on 22nd April, 2024 in the school by the Science Club. As a part of the programme, various activities were conducted to the students of classes 1 to 10.

The theme for the Earth Day (2024) is **‘PLANETS Vs PLASTICS’**. This theme aims to tackle one of the most pressing environmental challenges.

For classes 1 & 2 the activity conducted was '**Earth Day Song or Dance**' in which the teacher introduced our planet earth by playing a catchy earth day song.

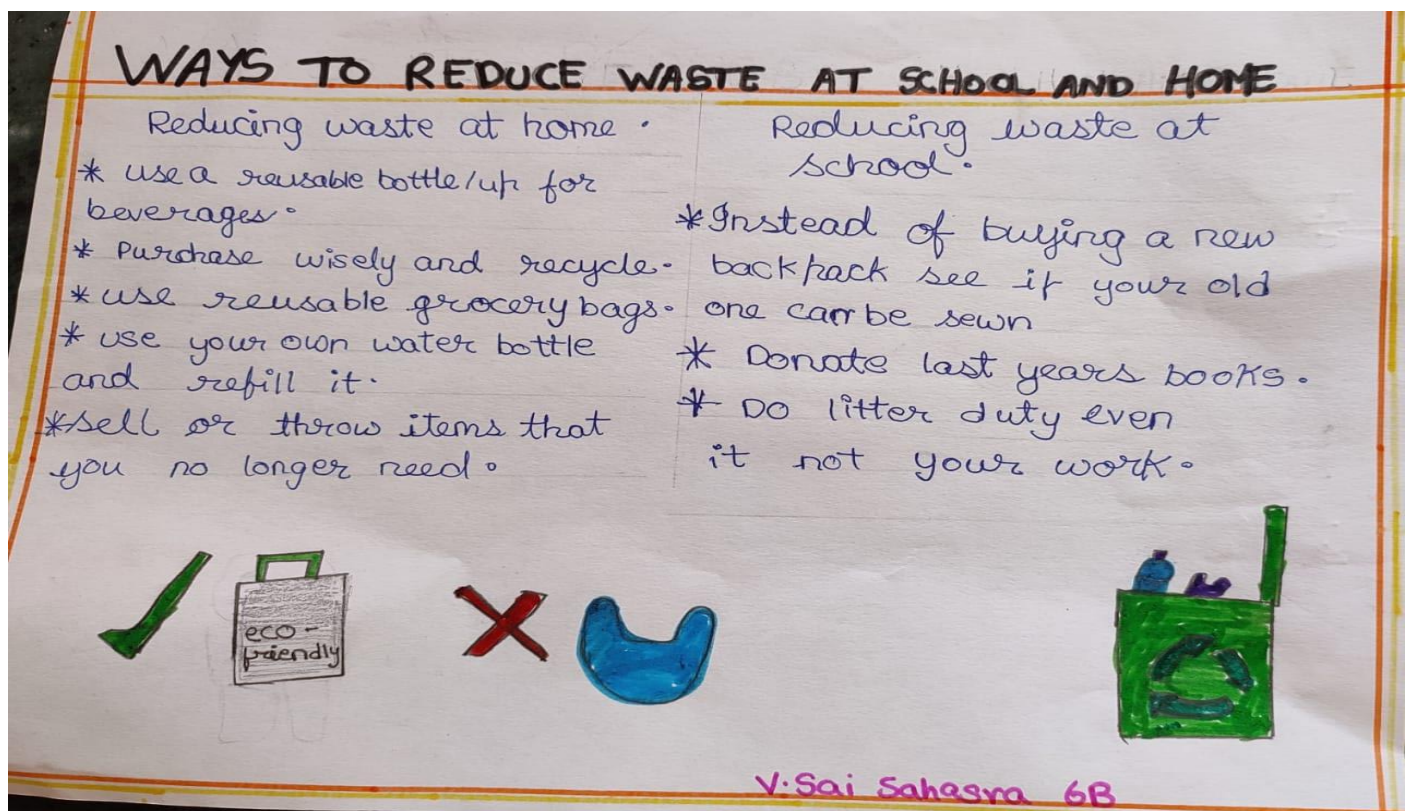

For classes 3 & 4 the activity conducted was ‘**Slogan Writing**’. The students wrote slogans on how to save or protect our Mother Earth.

For class 5 the activity conducted was '**Poster Making**'. The students made a poster depicting the disadvantages of using plastics.

For classes 6 & 7 the activity conducted was ‘**My Green Initiative**’ in which students have written about their ideas for reducing waste or conserving resources at school and home.

For classes 8 to 10 the activity conducted was ‘**Eco Master Piece**’ in which students created an Art using recycled materials to foster creativity and environmental awareness.
